CURRICULUM VITAE (CV)

Technical Skills:

I am a beginner front-end programmer. I especially want to work with the team, to present the work in a short time, with quality. I am a team player, open to adapt changes and a great problem solver.

Technical Skills:

- **Programming languages:** JavaScript
- **Technologies and Frameworks:** HTML 5, CSS 3, BootStrap 5
- **IDE:** Sublime Text 3, Visual Studio Code
